Corporate Business Solutions' human resource outsourcing services allow you to concentrate on your company's core competencies, while partnering with a team of dedicated professionals. We ensure that you have met the legal requirements associated with the employment process and maintain your peace of mind. CBS provides a diverse range of products, services and functions including integrated payroll & tax management, employee benefits, human resource consulting and risk management & safety. Employees enjoy the convenience of a [Web Portal](#) for all their self-service needs. **As a PEO**, we become the employer of record for everyone at your company. That means we, not you, take legal responsibility for workers' compensation, employee benefits, regulatory compliance and many other human resource headaches which keep you from doing what you do best - your core business. **As a ASO**, you remain the employer record for everyone at your company. CBS's ASO model is designed for companies that need relief from payroll administration, but may already have an in-house HR staff that handles employee benefits and HR issues.
